# Understanding the application process

**PLEASE NOTE:** This application is **ONLY** for licensed homes and center based childcare and preschool programs. Organizations that operate multiple licensed sites or programs will need to submit an application for *each* licensed site or program.

This form should be used to renew your STARS status upon the expiration of your certificate. It may also be used to apply for additional points and a higher star level.

The STARS process is meant to be ongoing. Planning program improvements and implementing them over time as well as keeping records of current activities and practices will make the process most effective.

## STARS Certificate

Programs with two or more stars must reapply to STARS every three years. After a program's application is approved, they will receive a STARS certificate that is valid for three years. Should a program's star level change during this three year period, a new certificate will be issued but the certificate expiration date will remain the same.

Programs are required to complete a STARS Annual Report to maintain their STARS status in the interim years before the STARS Certificate expires.

## Tips for submitting the application

- Group application materials by arena.
- Clearly identify the documents supporting each arena. Use the boxes in the application to check what has been achieved and to indicate that appropriate documentation is included.
- Binders or special presentation materials are not needed or recommended.
- Please keep a copy of your application for your records.

## How to submit your application

Your application should be signed and submitted with all supporting documents and mailed to: STARS – MJCC, 81 Water Street, Middlebury, VT 05753\*

OR, it can be emailed to [stars@mjcvt.org](mailto:stars@mjcvt.org).

*\*This ZIP code will sometimes confuse postal employees, who will tell you it is the ZIP code for Weybridge, Cornwall, Bread Loaf, etc. That is true – these towns share the ZIP code with Middlebury – and it will still get here if you use the address above.*

# How star levels are earned

There are four arenas in which points can be earned. The points from these arenas are then added together to determine the star level.

POSSIBLE POINTS**

Please indicate the number of points requested in this arena.

\_\_\_\_\_ (#) POINTS REQUESTED.

## FOR 1 POINT, 2 POINTS or 3 POINTS

### Evidence to meet the Staff Qualifications Standards

- Teaching staff members and/or the registrant have an updated IPDP\* or a statement of annual professional development goals. *Exception:* Staff with a Vermont Educator’s License are not required to have an IPDP for STARS.
- Documentation of degrees/professional development will be verified by the STARS Office using the BFIS Quality and Credential Accounts for individuals listed on the Worksheet.
- Staff Qualifications Worksheet on pages 10–11 documenting a program score of:

0.31 to 1.3 = 1 POINT | 1.31 to 2.3 = 2 POINTS | 2.31 to 3.0 = 3 POINTS

### What to submit for verification

- Current (updated within a year) IPDPs\* for all staff, except those with Vermont Educator’s Licenses.
- Completed Staff Qualifications Worksheet documenting a program score of:

0.31 to 1.3 = 1 POINT | 1.31 to 2.3 = 2 POINTS | 2.31 to 3.0 = 3 POINTS

*\* An IPDP means a current (updated within a year), personalized plan for increasing one’s knowledge and improving skills in the field of early care and education or afterschool services. It includes assessing current knowledge and skills in each of the core knowledge areas required to work in the field; identifying areas for growth and learning; stating specific measurable professional goals based on these areas of growth, with related strategies, resources, and a timeline to meet each goal. Sample IPDP format and information can be found at: [northernlightscv.org](http://northernlightscv.org)*

# Staff Qualifications Worksheet

This worksheet assigns a numerical value to educational level, experience in the field and hours of participation in relevant professional development.

Staff members to be included are those individuals responsible for planning, implementing and/or evaluating the program’s curriculum (e.g. teachers, teaching assistants, classroom aides, paraprofessionals, and program administrators). All staff that are in classrooms 10 or more hours a week should be included on the worksheet.

1. Use Charts A, B and C on pages 12–14 to determine a score for all teaching and/or program staff.
2. Add the scores in columns A, B and C for each staff member listed.
3. Convert the score(s) using chart D on page 14.
4. To calculate the point level in this arena, add all of the converted staff scores together from Column D, and then divide by the number of staff (see bottom of page 11). Refer to chart E on page 14 to determine the point level.

These instructions should be used to complete the Strengthening Families Focus for three points in the Families and Community Arena. *Your report to STARS will include a detailed description of the self-assessment process you used and a copy of the action plan.*

**Locating the program self-assessment tool**

Visit the Center for the Study of Social Policy website at:

<https://cssp.org/resource/strengthening-families-self-assessment-for-center-based-early-care-and-education-programs/>

**Completing the Self-Assessment**

1. Create a self-assessment team that represents a number of different perspectives at your program. You will include parents, direct service staff and administrative staff, depending on the type of program that is conducting the self-assessment. Home providers need only include yourself and parents as instructed on the self-assessment form.
2. Each member of the team should fill out the self-assessment form individually.
3. The team convenes to share and compare assessments. Each team member should have the chance to explain why they gave the rating they did. The team will make a final decision based on broad input.

**Completing the Action Plan**

1. The team will identify areas where the program scored highly.
2. Create a sustainability plan to make sure those areas stay strong. Specify key reasons for success, what needs to be done to ensure continued strength and who will be responsible for maintaining successful outcomes in the area.
3. Highlight the areas that a majority of the team rated as needing improvement.
4. Decide whether the practices needing improvement should be addressed immediately, over time, or not at all.
5. For the items that the team decides should be addressed immediately, teams should brainstorm plans to improve associated area outcomes, specifying the expected results, all resources, a timeline, who is responsible, check-in points and how and when longer term action steps will be addressed/implemented.

We encourage participants to spend time learning about Strengthening Families by accessing information from the website, which is a rich resource for providers. The STARS office also provides technical assistance with this process and can be reached at [stars@mjcvt.org](mailto:stars@mjcvt.org) or (802) 398-2037.

# Program Practices Arena for Early Childhood Licensed Programs

**1–5**  
**POSSIBLE POINTS**

Please indicate the number of points requested in this arena. Clearly label all Program Practices documentation and attach to this section of the application.

\_\_\_\_\_ **(#) POINTS REQUESTED.** Documentation submitted should meet the criteria for the requested number of points.

## 1 POINT

### Evidence to meet the Program Practices Standards

- The program completes a self-assessment using one or more of the tools listed below. Use the chart to determine the correct assessment tool(s) for your program. Center based programs that serve infants and toddlers *and* preschool age children should use both the ITERS-3 and the ECERS-3.
- The program completes a program improvement plan based on the findings of the assessment. Staff members provide input for and receive feedback on the assessment and related plan.

Assessment Tool	Program Type
Infant & Toddler Environment Rating Scale, 3 <sup>rd</sup> edition (ITERS-3)	For programs with children ages birth – 35 months
Early Childhood Environment Rating Scale, 3 <sup>rd</sup> edition (ECERS-3)	For programs with children ages 3 – 5 years
Family Child Care Environment Rating Scale, Revised (FCCERS-R)	For family child care programs

### What to submit for verification

- The “Profile” page from the assessment tool(s) dated within six months of this application (the Profile page is located at the end of the assessment booklet after the Score Sheets).
- A program improvement plan based on findings from the self-assessment.

## 2 POINTS

### Evidence to meet the Program Practices Standards

- The program works with an approved assessor who provides an unscored consultation on the ERS or the CLASS. Based on the assessor's feedback, the program writes a program improvement plan. *Contact the STARS office to request an unscored consultation with an approved assessor. At this point level, no score is required; it is the process of becoming familiar with the tool and developing a plan that is important.*
- The program regularly uses observation and other forms of informal assessments (checklists, anecdotal notes, work samples, running records or pictures) to document children's strengths, needs, interests and growth. The program maintains records of this documentation and utilizes the results of the ongoing system of assessment to inform curriculum planning.

### What to submit for verification

- A program improvement plan that addresses the written feedback from the observation.
- A description of how the program observes children and keeps records to support the observation process.
- Documentation of two different observations and how they were used to develop the curriculum.

## 3 POINTS

### Evidence to meet the Program Practices Standards

- The program has previously met the criteria for 2, 3, or 4 points in this arena.
- The program regularly uses observation and other forms of informal assessments (checklists, anecdotal notes, work samples, running records or pictures) to document children's strengths, needs, interests and growth. The program maintains records of this documentation and utilizes the results of the ongoing system of assessment to inform curriculum planning.
- The program is evaluated by an approved assessor using the ERS or the CLASS.

*For programs that have previously earned 3 points in this arena, and are using the ITERS-3 and/or ECERS-3 or the CLASS for the first time:*

- The program has an unscored consultation on the ITERS-3 and/or ECERS-3 or the CLASS with an approved assessor who provides information about the assessment tool and recommendations. The program then submits a program improvement plan. The unscored consultation allows the program to keep its existing Program Practices points for one year, at which point the program must have a scored assessment and meet the scoring requirements for 3 points as outlined on page 25.

*For programs that have previously had a consultation or a scored assessment on the FCCERS-R, ITERS-3 and/or ECERS-3, or CLASS:*

- The program has a scored assessment by an approved assessor, and meets the scoring requirements for 3 points, as outlined on page 25. The program then submits a written program improvement plan. The scored assessment is valid for three years.

#### **What to submit for verification**

- A program improvement plan that addresses the written feedback from the observation.
- A description of how the program observes children and keeps records to support the observation process.
- Documentation of two different observations and how they were used to develop the curriculum.

## **4 POINTS**

#### **Evidence to meet the Program Practices Standards**

- The program has previously met the criteria for 2, 3, or 4 points in this arena.
- The program regularly uses observation and documents children’s strengths, needs, interests and growth. These observations are recorded using the Teaching Strategies Gold tool at least twice a year. The program maintains records of their documentation and uses the results from child assessments to inform curriculum planning.
- ***For programs with Infants and Toddlers:*** *The Ounce Scale may be used instead of Teaching Strategies Gold to observe and document children’s strengths, needs, interests and growth.*
- The program is evaluated by an approved assessor using the ERS or the CLASS.

*For programs that have previously earned 4 points in this arena, and are using the ITERS-3 and/or ECERS-3 or the CLASS for the first time:*

- The program has an unscored consultation on the ITERS-3 and/or ECERS-3 or the CLASS with an approved assessor who provides information about the assessment tool and recommendations. The program then submits a program improvement plan. The unscored consultation allows the program to keep its existing Program Practices points for one year, at which point the program must have a scored assessment and meet the scoring requirements for 4 points as outlined on page 25.

*For programs that have previously had a consultation or a scored assessment on the FCCERS-R, ITERS-3 and/or ECERS-3, or CLASS:*

- The program has a scored assessment by an approved assessor, and meets the scoring requirements for 4 points, as outlined on page 25. The program then submits a written program improvement plan. The scored assessment is valid for three years.

### What to submit for verification

- A program improvement plan that addresses the written feedback from the observation.
- A schedule showing that the Teaching Strategies Gold tool was used at least twice a year and a summary of how the results have impacted the curriculum/program **OR**, for programs with Infants and Toddlers, verification of using the Ounce Scale as designed and a copy of a developmental profile with any personal information hidden.
